Basic Paragraph Format to Write Effective Paragraphs on Single Topic A paragraph explains one idea in detail and supports the expansion of an overall topic for the essay. Paragraph length will vary based on the purpose of the paragraph. Parts of a Paragraph The basic paragraph consists of three parts: a topic sentence, supporting details, and a concluding sentence. This basic paragraph format will help you to write and organize one paragraph and transition to the next. Topic Sentence: Often, the Topic sentence is the first sentence of a paragraph. Also, we can call an introduction sentence of a paragraph. It states the main idea of each paragraph and displays how the idea connects to the thesis or overall focus of the paper. All consequent points presented in the paragraphs must support the topic sentence. Supporting Details The supporting sentences explain more about the topic sentence by showing some facts, stats, or examples regarding the topic. It also includes the writer's experience & own analysis and used to develop the topic sentence. The following are common origins of supporting details: Expert Opinion, Facts and Statistics, Personal Experiences, Others' Experiences, Brief Stories, Research, Studies, Your Own Analysis, Interviews, Concluding Sentence. It is the end of the paragraph which is also known as final statement about the topic. It ties all ideas given in the paragraph and emphasizes the main idea one last time. In the concluding sentence, the writer usually restates their topic sentence or summarizes the main points of the paragraph. Types of Paragraph Having knowledge about what are the type of paragraphs is one of the most essential aspects while writing a paragraph. So, we thought of explaining a bit about paragraph writing types is a must. Okay, let's start about it. There are four types of paragraphs that you need to know about: descriptive, narrative, expository, and persuasive. If you have a quick search on the web then you may find other types too but to make your paragraph simple and succinct, it's a good idea to study just these four. 1. Descriptive Type of Paragraph: This paragraph type describes the topic and displays the reader what's the subject included in it. The terms selected in the description type usually appeal to the five senses of touch, smell, sight, sound, and taste. This type of paragraph can be more artistic and may vary from grammatical standards. 2. Narrative Type of Paragraph: In simple words, this type of paragraph narrates a story that includes a sequence of topic sentences like a clear start, middle of the topic, an end to the paragraph. 3. Expository Type of Paragraph: It defines something or gives instruction. It may also explain a process and influence the reader step by step via a form of the method. This Expository Para usually needs research, but also it's possible to rely on the writer's own knowledge and experience. 4. Persuasive Type of Paragraph: This kind of paragraph seeks to make the audience to admit a writer's point of view or know his/her position. Persuasive paragraphs are often used by the teachers because it is beneficial when building an argument. Also, it makes a writer to research and collect some facts on the topic. How to Write a Perfect Paragraph?
